Dear Mittal, Arti and CGS team,

**Subject : SEO Services for my website by CGS Infotech**

CGS Infotech is the only company that has taken such a proactive and caring approach to our business. They have done effective SEO of my website [www.alashrakgroup.com](http://www.alashrakgroup.com) We are very, very grateful and respectful of your actions for our company. We have come to your company seeking expertise in SEO - an area we and many of your other clients, would not be fluent in. We have seen a significant increase in our web traffic as a result of their efforts. CGS optimized our website with SEO marketing. Our SEO rankings and traffic improved. We've seen our organic traffic and leads grow.

CGS and its staff Ms. Mittal and Ms. Arti have a professional approach and flexibility to client wishes. Excellent communication and attention to the workflow is good combination of CGS. Their team is very responsive and helpful whenever we reach out to them. You have come to us with great ideas and solutions, and have implemented them immediately.

CGS team is great to work with and always responsive. I would highly recommend them if you want your business to grow.

Best regards,  
Mir Farooq Ali Khan
