

JAIHIND OIL MILLS CO.

14th July, 2020

CGS INFOTECH,

Mumbai, India.

TO WHOM SO EVER IT MAY CONCERN

CGS INFOTECH has been very helpful and given full service regarding our WEB HOSTING and EMAILS.

They, and specially **Ms. Pratibha Pandit**, have gone out of their way to server us during the lockdown period too.

We think that they are the best in their field and very helpful and any company looking for such services can be rest assured that they would get the best service possible in that field.

Yours Sincerely,

Jaihind Oil Mills Co.

Prakash Kishnani.
