Mumbai India

Dear Nirmal,

We would like to let you know that you guys do a really good job. We are glad that we decided to work with you. It's really great to see how well the website was made. We never have any problems at all. The site has never been down.

Our 1 year old web site is so much faster and loads well. Thank you for updating small information as needed within couple of days.

Now it's almost like having a designer right here with us. Keep up the good work and make our company look right on the web pages.

Thanks, Nirmal and CGS Infotech.

Sincerely,
